

**Chromotherapy/Color Therapy Lighting (optional)** can be operated as follows. First, you will need to install the battery. Please see Figure 27 below to locate the battery compartment. You will need to slide the TRAY RELEASE and then pull the BATTERY TRAY outward. Insert the battery so that it sits flush.

Figure 27

Once the battery has been inserted and the battery tray has been put back into the remote, you are ready to operate the chromotherapy/color therapy lighting system. Press the READING LIGHT button on the sauna control panel. The white light will come on. While pointing the remote at the ceiling light, you can press any of the colors on the remote and that color will be displayed. You can use the SHADE button on the remote to go through a sequence of colors. If you want to turn the light off during your sauna session, you can press the POWER button on the remote.

**Please note: You must be inside the sauna room for the remote to work.**
